

AHCCHM201 Apply chemicals under supervision co-assessed with AHCPMG201 Treat weeds

Two-day face to face

Introduction

New Territory Training is a Registered Training Organisation (RTO number 45776) registered with the Australian Skills Quality Authority.

New Territory Training is proud to offer training in the unit of competency AHCCHM201 – Apply chemicals under supervision and AHCPMG201 Treat weeds as nationally recognised training.

This course is essential for people working in parks ranger, horticulture, arboriculture, agriculture, forestry and mining industries. This course is essential for people who are required to apply chemicals under part of their duties within the workplace.

Mode of Delivery

Delivery of this course will be trainer led and delivered over one day of face-to-face training in a classroom setting combined with skills practice and assessment in your workplace.

Assessment Summary

The assessment in support of the unit of competency requires the learner to complete a written knowledge assessment and then demonstrate their applied knowledge and skills during a practical assessment operating and observed by the assessor.

The learner must answer all the written knowledge questions correctly. There is the opportunity for this knowledge assessment to be conducted verbally if the learner requires this level of support.

The practical assessment is conducted under controlled conditions in your workplace. The

Course Description

This course provides learners with the skills and knowledge required to safely Apply chemicals under supervision and treat weeds.

Learners will understand how to identify health and safety hazards, select and check equipment, read labels and SDS's, measure mix load and apply chemicals under supervision, and record information. The training will include sufficient time to allow learners to practice their skills prior to their assessment.

learner will be briefed on the assessment which will involve carrying out preparation, handling of chemicals, measure, mix load and apply chemicals whilst monitoring workplace hazards and communicating with others in the workplace.

National recognition

On successfully completing the training and assessment you will be issued a Statement of Attainment issuing you the unit of competency: AHCCHM201 – Apply chemicals under supervision and AHCPMG201 Treat weeds.

This unit of competence is nationally recognised and provides individuals with a valuable outcome that is recognised throughout Australia.
