

## **FWPCOT3325 Operate four wheel drive vehicle on unsealed roads**

### **Two Day Course**

#### **Introduction**

New Territory Training is a Registered Training Organisation (RTO number 45776) registered with the Australian Skills Quality Authority.

New Territory Training is proud to offer training in the unit of competency FWPCOT3325 Operate four-wheel drive vehicle on unsealed roads as nationally recognised training.

#### **Course Description**

This course provides learners with the skills and knowledge required to safely Operate four wheel drive vehicle on unsealed roads.

Learners will understand how to conduct a pre-start check, learn about safety aspects required in operating a Four-wheel drive vehicle on unsealed roads, and how to drive safely on various terrain. The training will include sufficient time to allow learners to practice their driving skills on a prior to their assessment.

This course is aimed for people in the construction, parks ranger, horticultural, forestry and mining industries. This course is essential for people who are required to operate

a four-wheel vehicle drive on unsealed roads as part of their duties within the workplace.

#### **Mode of Delivery**

Delivery of this course will be trainer led and delivered over two days of face-to-face training in a classroom setting combined with skills practice and assessment in your workplace.

#### **Assessment Summary**

The assessment in support of the unit of competency requires the learner to complete a written knowledge assessment and then demonstrate their applied knowledge and skills during a practical assessment operating a four-wheel vehicle drive on unsealed roads and observed by the assessor.

The learner must answer all the written knowledge questions correctly. There is the opportunity for this knowledge assessment to be conducted verbally if the learner requires this level of support.

The practical assessment is conducted under controlled conditions in your workplace. The learner will be briefed on the assessment which will involve carrying out pre-and post-start-up checks, driving on various terrain, apply various driving techniques and minimise environmental damage whilst monitoring workplace hazards

and communicating with others in the workplace.

### **National recognition**

On successfully completing the training and assessment you will be issued a Statement of Attainment issuing you the unit of competency: FWPCOT3325 Operate four-wheel vehicle drive vehicle on unsealed roads.

This unit of competence is nationally recognised and provides individuals with a valuable outcome that is recognised throughout Australia.
